Lane Closures on the Southbound Stevenson near Cicero Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that nighttime lane closures will take place on the southbound Stevenson Expressway (Interstate 55) east of Cicero Avenue, beginning, weather permitting, Wednesday, September 14. The lane closures are necessary to repair a section of damaged pavement.

In order to complete the work, temporary, nighttime lane closures will occur on the southbound Stevenson Expressway east of Cicero Avenue. The project is expected to be completed by the end of this month.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
